2. INNOVATE 360° Jury Evaluation Scorecard (93.0 / 100)

Evaluation Dimension	Max Marks	Score Awarded	Jury Feedback Comments
Problem Significance & Need	15	14.5	Exceptional articulation of Mumbai landfill crisis vs Palghar soil carbon collapse.
Solution Novelty & 4-Streams	20	18.5	Multi-stream approach (Bokashi, Vermi, Biochar, Liquid) avoids single-product dependency.
Technical Stack & AI Safety	20	19.0	Outstanding Next.js 15 build. Deterministic ICAR rule engine eliminates AI hallucinations.
Unit Economics & BMC	20	18.0	Solid 56.5% gross margin; realistic EV logistics modeling (■2.80/kg).
Live Prototype Demo	15	14.0	Role switching across all 5 personas functioned flawlessly.

Scalability & Q&A; Defense	10	9.0	Rapid, confident defense on odor management (pH 4.0) and contamination control.
TOTAL SCORE	**100**	**93.0 / 100**	**Rank: 3rd Position (Bronze Commendation)**

3. Incubation Pipeline & Non-Dilutive Grant Applications

Scheme / Grant	Funding Body	Amount (INR)	Target Operational Deployment
Startup India Seed Fund (SISFS)	DPIIT, Ministry of Commerce	■ 20 Lakhs	EV cargo loader lease deposits, Bluetooth load cells, driver app.
RKVY-RAFTAAR Agri Grant	Ministry of Agriculture	■ 25 Lakhs	Mahape hub 550°C biochar pyrolysis retort kiln & vermi beds.
AIC-NMIMS Pre-Incubation	Atal Incubation Centre	Cohort 8 Seat	Office co-working, legal compliance advisory, mentor network.
